

Get to Know CREW Austin's Committees

All CREW Austin members are encouraged to participate in one of our many committees that help our organization grow and thrive. By volunteering your time with a CREW Austin committee, you have the opportunity to boost your leadership skills, expand your network, and make a difference in our mission to advance the success of women in commercial real estate. By joining a committee, you will learn about the operations of CREW Austin, connect with other dedicated members, and gain valuable experience needed for future leadership positions within CREW Austin.

To meet our committee chairs and members and learn more, join us at CREWFest on October 6th!

CREW Austin has ten committees, with each focusing on a specific aspect of the organization:

Communications is responsible for Chapter communication via media resources, newsletter content, newsworthy articles, and member promotion. This committee coordinates the content for the monthly newsletter, social media, and other media alerts regarding Chapter events and member information. Communications works to keep the CREW Network and CREW Austin brand relevant, topical, and newsworthy.

Community Outreach increases community awareness and visibility of CREW Austin and CREW Network. This committee provides CREW Austin Members the opportunity to participate in meaningful community activities and events, and coordinates with the Communications Committee and social media resources to ensure communication with members and promotion of events.

CREW Careers coordinates a program at the Ann Richards School for Girls allowing ninth graders to spend an afternoon learning about commercial real estate development from the ground up. This committee solicits and helps choose the commercial real estate development projects that students will learn about, and recruits CREW members from different areas of the real estate profession to come talk with students. Members of the committee have the opportunity to work with and get to know many different members of CREW and learn about their profession.

Golf Adventure plans and coordinates the signature CREW Golf Adventure. This committee Collaborates to create an event that allows CREW members to spend the day away from the hustle and bustle of their professional lives by creating a fun environment to network in and learn more about their CREW partners.

Member Services focuses on existing member retention and full services. This committee Promotes membership renewal and performs surveys to assess the needs and satisfaction of members as well as an implementation program to improve services. Member Services Designs events to promote member-

to-member relationships, providing members with new clients, contacts and career development, and creates legacy programming supporting our long-standing members.

Membership focuses on recruitment. This committee reviews membership applications and makes recommendations to the board on new members. Membership recruits high-level commercial real estate industry leaders and decision makers, and hosts an annual prospective member reception and new member appreciation event.

Special Events is responsible for planning the Annual Holiday Party. This committee plans monthly dine-arounds for all CREW members to enjoy local, new cuisine in Austin.

<https://crewaustin.org/about/committees/special-events-committee>

Sponsorship oversees the task of raising funds to support CREW functions. This committee gives members the opportunity to meet other members and learn more about what CREW does for the community.

<https://crewaustin.org/about/committees/sponsorship-committee>

UCREW coordinates a program for women students at local universities to learn about careers in commercial real estate and network with professionals in different CRE fields. This committee recruits CREW members from different areas of the real estate profession to engage in discussion about their fields and lead group discussions regarding different real estate projects and the professional's role in the project. Committee members have the opportunity to mentor young women interested in commercial real estate as a career choice.
